

END OF SUPPORT FOR TENABLE SENSOR PROXY ON EL7- BASED OPERATING SYSTEMS

Bulletin Date: Nov 20, 2025

Tenable announces the End of Support for Enterprise Linux (EL) 7 Support for Tenable Sensor Proxy. The last day to download the affected product is Nov 28, 2025. Customers will receive continued support through the Last Date of Support. Table 1 describes the end of life milestones and definitions for the impacted products(s).

Table 1. End of Life Milestones and Dates for End of Life for EL7 support for Tenable Sensor Proxy

Milestone	Definition	Date
End of Support Announcement Date	The date at which the end of support of a product is distributed publicly.	November 20, 2025
Last Download Date	The date that marks the removal of the affected product from the Tenable Downloads page.	November 28 , 2025
Last Date of Support	The last date to receive product support. After this date, support is no longer available and the product is considered obsolete.	February 28, 2026

Recommended Migration

For customers still hosting Tenable Sensory Proxy on EL7-based operating systems, Tenable recommends migrating their proxies to EL8 or EL9-based operating systems. You can find the appropriate sensor proxy installation packages below:

<https://www.tenable.com/downloads/sensor-proxy>

Product Migration Notes:

Please visit the following links for migration instructions:

<https://docs.tenable.com/sensor-proxy/Content/MigrateSensorProxy.htm>

FAQs:

- Why are we ending support for Tenable Sensor Proxy on EL7-based systems?

Extremely low adoption rate that does not warrant maintaining development and testing infrastructure. Agents connected to EL7-based sensor proxies account for approximately 0.009% of our customer's deployed agents.

Tenable Technical Support

Technical support is necessary to ensure your technical issues or usage questions are resolved in a timely manner. Tenable support experts are available 24 hours a day, 7 days a week, and are available via a variety of convenient methods, including the Tenable Community Portal, phone, and chat.

Customers with Tenable Technical Support are entitled to a number of predetermined technical support contacts who may: create cases, search the knowledge base, review product documentation, and download software updates. For more details, please refer to the [Tenable Technical Support Guide](#).
