

Updated: September 10, 2024

Tenable announces the End of Life for Tenable Legacy Container Security. Customers will receive continued support through the Last Date of Support. Table 1 describes the end of life milestones and definitions for the impacted product(s). Table 2 lists the product SKU's impacted by this announcement.

Table 1. End of Life Milestones and Dates for Tenable Legacy Container Security

Milestone	Definition	Date
End of Life (EoL) Announcement Date	The date at which the end of life notification of a product is distributed publicly.	April 1, 2024
Last Date to Renew	The last date a product can be renewed.	N/A, See Table 2.
Last Date of Support	The last date to receive product support. After this date, support is no longer available and the product is considered obsolete and no longer accessible. The product has reached End of Life.	September 30, 2024

Table 2. Impacted SKU's and Recommended Migration

SKU	Description	Recommended Replacement
TIO-CSI	Standalone Container Security	TCS-BAS (Standalone Cloud Security) or TIO-EP (Tenable One Standard) TONE-ENT (Tenable One Enterprise)
TIO-CSI-GS	Standalone Container Security - GSA	TCS-BAS-GS (Standalone Cloud Security) or TIO-EP-GS (Tenable One Standard) TONE-ENT-GS (Tenable One Enterprise)
TIO-CLS	Standalone Legacy Cloud Security (which provided access to Legacy Container Security)	TCS-BAS (Standalone Cloud Security) or TIO-EP (Tenable One Standard) TONE-ENT (Tenable One Enterprise)
TIO-CLS-GS	Standalone Legacy Cloud Security - GSA (which provided access to Legacy Container Security)	TCS-BAS-GS (Standalone Cloud Security) or TIO-EP-GS (Tenable One Standard) TONE-ENT-GS (Tenable One Enterprise)

Product Migration Notes:

Customers currently using STANDALONE Legacy Container Security should move to the Workload -> Container Security functionality found in the new Tenable Cloud Security or Tenable One. Please contact your CSM for more information.

Customers currently using Legacy Container Security in Tenable One should move to the Workload -> Container Security functionality that is available in Tenable One, located in the new Cloud Security application. On the Last Day of Support, Legacy Container Security will be removed from Tenable One completely.

FAQs:

Q. We have data in Legacy Container Security, how long will that data be available?

A. Legacy Container Security data will be available for one year after the official EOL date – Sept 30, 2024. Please contact your CSM if access is required to retrieve data.

Tenable Technical Support

Technical support is necessary to ensure your technical issues or usage questions are resolved in a timely manner. Tenable support experts are available 24 hours a day, 7 days a week, and are available via a variety of convenient methods, including the Tenable Community Portal, phone, and chat.

Customers with Tenable Technical Support are entitled to a number of predetermined technical support contacts who may: create cases, search the knowledge base, review product documentation, and download software updates. For more details, please refer to the [Tenable Technical Support Guide](#).
