Table 2. Impacted SKU's and Recommended Migration

SKU	Release Date	Recommended Replacement
N/A		

FAQs:

- Why are these versions EOL?
 - We are bringing the Tenable Sensor Proxy up to speed with our current product support windows. Sensor Proxy 1.0.6 and below are now well over the two year support window of our other products.
- What are my other options for using the Tenable Sensor Proxy?
 - Upgrade to Sensor proxy versions to the latest version published on the Tenable Product Downloads Page: <https://www.tenable.com/downloads/sensor-proxy>

Tenable Technical Support

Technical support is available to ensure your technical issues or usage questions are resolved in a timely manner. Tenable support experts are available 24 hours a day, 7 days a week, and are available via a variety of convenient methods, including the [Tenable Community](#), phone, and chat.

Customers with Tenable Technical Support are entitled to a number of predetermined technical support contacts who may: create cases, search the knowledge base, review product documentation, and download software updates. For more details, please refer to the [Tenable Technical Support Guide](#).
